Small Actions Today, Greener Tomorrow

REPORT ON WORLD ENVIRONMENTAL DAY CELEBRATION 2026

As part of the World Environment Day celebrations, Zainab Memorial B.Ed Centre, Cherkala organized ***“Green Commitment – Harithotsav 2026”*** on 5 June 2026. The program was conducted under the theme ***“Inspired by Nature. For Climate. For Our Future.”***

The main activity of the program was a sapling planting initiative on the college campus. Students, faculty members, and volunteers brought various plant saplings and actively participated in planting them in different parts of the campus. The activity aimed to promote environmental awareness, increase green cover, and encourage sustainable practices among future educators. Participants were informed about the importance of trees in maintaining ecological balance, reducing pollution, conserving biodiversity, and combating climate change. The program emphasized the need for collective efforts in protecting and restoring nature.

The sapling planting drive witnessed enthusiastic participation from students and staff, reflecting their commitment towards environmental conservation. The activity not only beautified the campus but also instilled a sense of responsibility towards nature among the participants.

The celebration successfully conveyed the message that small actions today can lead to a greener and more sustainable tomorrow.

"Small Actions Today, Greener Tomorrow."
