*All are Welcome
Let's Learn. Grow. Empower.*

As part of the Induction Programme, Zainab Memorial B.Ed Centre, Cherkala, in collaboration with the Internal Quality Assurance Cell (IQAC), organized a **One-Day Sensitization Programme on SWAYAM MOOC** titled "Empower Your Future with Life Skills: Exploring SWAYAM MOOC – Developing Life Skills."

The programme commenced with a warm welcome by **Dr. Neena M K, Principal**, who greeted the resource person, faculty members, and student teachers. She

emphasized the importance of developing life skills and utilizing online learning platforms such as SWAYAM for continuous professional growth.

The session was led by **Prof. (Dr.) M. N. Mohamedunni Alias Musthafa, Professor, Department of Education, Central University of Kerala, Kasaragod**, along with his fellow students. The programme aimed to introduce student teachers to the importance of life skills in personal and professional development while creating awareness about the learning opportunities available through the SWAYAM MOOC platform.

During the interactive session, the resource person explained the significance of life skills such as communication, critical thinking, problem-solving, emotional intelligence, leadership, teamwork, and decision-making in the teaching profession. He highlighted how these competencies contribute to effective classroom management, lifelong learning, and holistic personality development.

The speaker also provided a detailed overview of the SWAYAM MOOC platform, emphasizing its role in offering quality online courses from reputed institutions. Participants were guided on how to access courses, complete enrolment, and utilize SWAYAM as a valuable resource for enhancing academic knowledge and professional competencies. The session encouraged student teachers to embrace

continuous learning through digital platforms and to make effective use of technology for their academic and career advancement.

The programme was highly informative and engaging, with active participation from the student teachers. The interaction session enabled participants to clarify their doubts regarding online learning opportunities and the practical application of life skills in their future teaching careers.

The programme concluded with a note of appreciation to the resource person for his insightful presentation.

The programme concluded with a vote of thanks delivered by a student representative from the Physical Science option, who expressed sincere gratitude to the resource person for the enlightening session. Appreciation was also extended to Dr. Neena M K, Principal, the IQAC, faculty members, and the organizing committee for arranging such a meaningful and enriching programme.

Overall, the session successfully motivated the participants to cultivate essential life skills and utilize SWAYAM MOOC as a platform for continuous professional development.
